

HARD CASE X-PLOR 6

URIKAN hard cases are created for travel and harshest environments.

These tough cases are designed with a purge valve to manage air pressure, a watertight silicone O-ring lid.

Specially conceived to protect your gear against dust, water and corrosion, the URIKAN cases are shock proof.

Ideal for photograph, video, nautical, army and outdoor activities.

Ref: BO79006

Interior size: 521 x 278 x 190 mm

External size: 557 x 348 x 248 mm

Volume : 28,6 L

Wheels : YES

Extendable handle: YES

Waterproof: IP67

Weight : 7,6 KG

Material : RESIN + FIBERGLASS

Maximum buoyancy: 27 KG
