There are penlights, and then there is the HP3R which is the brightest penlight on the market—and it's rechargeable.

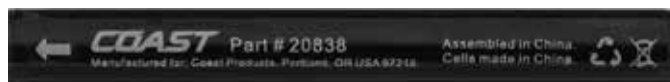

**Twist Focus**

**FLEX CHARGE DUAL POWER**

**PRO-TEK  
CHARGING PORT**

The HP3R includes one lithium polymer rechargeable battery and two AAA alkaline batteries. While the rechargeable battery pack needs to be charged inside the light, the included AC and DC adapters (with USB interface) make recharging simple, even in diverse and remote locations.

**RECHARGEABLE BATTERY**
