European Region

Bright and economical, the Energizer<sup>®</sup> Magnet LED is a great choice for an everyday flashlight. It runs 45 hours on 2 AA size Alkaline batteries and the lifetime LED never needs replacing. An attached wrist lanyard and easy to use slide switch provide added convenience. Plus the magnet holds the light to metal surfaces – great for storage or hands free use.

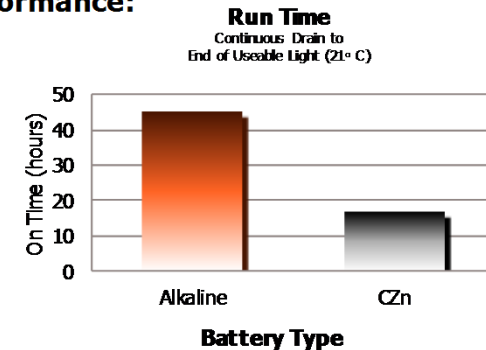

**Before Using Your Flashlight:**  
Please read all instructions and cautionary markings on the package and light
