

LED Luminaire IP65 with LED Strip 36W

High-quality moisture-proof diffuser LED luminaire with integrated LED-strips. With its brightness of 3960lm, colour temperature of 4000K, power consumption of just 36W and long lifespan of 30.000 hours, this is the perfect lighting for humid spaces that need lots of light. Thanks to its protection against waterjets (IP65), the robust and impact-resistant polycarbonate housing and the possibility for through-wiring, this product is perfect for underground car parks, production- and markethalls and other large spaces. Two plugs for through-wiring are enclosed with the product. Product sizes: 1180x86x66 mm

Article number 2400229

EAN 8719323782730

Brand

LED's light PRO

Light Features

Effective luminous flux	3960 lm
Color of light	White
Color temperature	4000 4000 K
Light color category	Neutral
Beam angle	120 degrees
Color rendering index (CRI)	80-89

Features

Color housing	White
Degree of protection (IP)	IP65
Color housing	White
Lamp type	LED not exchangeable
Material	Polycarbonate
Material cover	Polycarbonate
Model	Tube light complete
Nominal voltage	220 240 V
Protection class	II
Shape	Rectangular
Suitable for wall mounting	Yes
With lamp	Yes

Performance

Average nominal lifespan	30000 hour
Warming-up time	1.00 second(s)
System power	36.00 watt
Switch cycles	30000
Lamp efficacy	110 lumen/watt

Driver

Frequency	50 Hz
-----------	-------

Energy Consumption

Energy efficiency class of built-in lamp	A++, A+, A (LED)
--	------------------

Dimensions

Length	1180 mm
Width	86 mm
Weight	1.19 kg
Packing height	67 mm
Packing length	1200 mm
Packing weight	0.03 kg
Packing width	87 mm
Master packing width	19.00 cm
Master packing height	30.00 cm
Master packing length	122.00 cm
Master packing weight	12.20 kg

CBM of master packing	0.07
