Article information sheet

Shada Brand LED's work

OEM article number 300191

Customer article number

Customer

Article description

LED projector 50W 4000Lm 4000K CLASS2 with rack+5m H05RN-F
2X1.0mm²

Product picture

Commercial Information's

Other info Plug CEE7/17 G31

Certificat No

Barcode 8718692544482

Net weight of Article (kg) 2,33

Packing weight (kg) -

Single box dimension (cm) 31.5*21.5*38

Master box dimension (cm) 65.5*45.5*39

Quantity Master box (pcs.) 4

Cross weight master box (kg) 11,68

CBM Master box (m³) 0,1162

Technical Information's

Shape Square

Dimension (DxH /mm) 211x216x76

Protection class IP54 / CLASS II

Rated input voltage (V) 100-240

Rated input current (A) 1

Rated input frequency (Hz) 50/60Hz

Cap Type for lamp base -

Power in Watt 47

Lumen 4000

Lumen per Watt 85

Colour temperature (Kelvin) 4000

Lifespan (Hours) 20000

Beam angle (Degree) 120

Ra Value ≥70

Dimmable No

Specific dimmer warning No

Equivalent light output (Watt) -

Energy class A

Switch cycle ratio 15000

Warm up time 95% 2s

Date of issue

14.11.2014
