## 2750 LED Headlight

Bright, compact headlight for harsh conditions with a night vision friendly red LED - the high output 2750 LED Headlight provides up to 100 lumens of illumination, flashing, and low light modes. The 2750 also preserves night vision with red LED light. Designed with weather resistant casings which also allows for fast and easy battery change.

Switch to the new 2750 Headlight from Peli.
