#### Peli lights - 2410 - Recoil LED technology lights

Same features as the StealthLite 2400 but with the LED module that produces a true, bright collimated LED beam. The 2410 StealthLite LED is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included). For hands-free operation, attach it to your hard hat with our optional helmet light holder.
